

PROJECT MANAGEMENT PROFESSIONAL (PMP®) PREPARATORY PROGRAM

OVERVIEW

The Project Management Professional (PMP®) Program is a globally recognized certification for project managers. It is awarded by the Project Management Institute (PMI). The Program provides a comprehensive review of the ten Project Management Body of Knowledge (PMBOK) areas covered in the PMP® Exam. The Program consists of 12 sessions, three hours each.

CONTENT

The Program covers the following topics:

- Project Integration Management
- Project Scope Management
- Project Time Management
- Project Cost Management
- Project Quality Management
- Project Human Resource Management
- Project Communication Management
- Project Risk Management
- Project Procurement Management
- Project Stakeholder Management

OBJECTIVES

- Employ the broad guidelines to Project Management provided by the PMBOK® Guide
- Distinguish between the different components of the examination
- Develop project management skills
- Identify the essential PMI® terminology
- Evaluate the “Project Management Life Cycle” using PMI standards
